

## Depth Charge: Royal Naval Mines, Depth Charges and Underwater Weapons 1914-1945 (Hardback)

By Chris Henry

Pen Sword Books Ltd, United Kingdom, 2006. Hardback. Condition: New. Language: English . Brand New Book. The history of weapons and warfare is usually written about from the point of view of the battles fought and the tactics used. In naval warfare, in particular, the story of how these weapons were invented, designed and supplied is seldom told. Chris Henry, in this pioneering study, sets the record straight. He describes how, to counter the extraordinary threat posed by the U-boats in the world wars, the Royal Navy responded with weapons that kept open the vital supply routes of the Atlantic Ocean. He also celebrates the remarkable achievements of the engineers and inventors whose inspired work was essential to Britain's survival.

### Reviews

*An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*-- Dominic Collins*

*This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.*

*-- Stefan Von*
