paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment.Paperback. Pub Date: 2012 09 Pages: 260 Language: Chinese in Publisher: Guangming Daily Publishing House with the development of the capital market is mature. the household sector and the proportion of individual investors to participate directly in the market to gradually reduce. and more through a proxy the investment mode indirectly involved in the market. Agents of financial markets. investors. financiers and market intermediaries. facing the principal-agent problem: the purpose of investment entities. institutional investors and fund managers families and individual investors. investment agent; Financing Body . the senior management of the Company and the controlling shareholder of minority shareholders. the managing agent of the company's operations and governance; Even for those directly involved in the capital market. small and medium-sized investors. their investment decisions are often reference securities analyst research reports. The latter can be regarded as the information agent for the former. If we ignore those who do not the information superiority do not have the financial advantage of small investors (minority shareholders). the capital market. in a sense. can be regarded as a by securities analysts. institutional investors and listed companies. executives and other various types of agent-driven market. Williamson 1975 discussion about opportunism express our people not only in the economic self-interest. and whenever possible. will use in its possession information superiority to selfish. The inconsistencies of the objective function. may induce institutional investors (or fund manager). executives of listed companies (or controlling shareholders) and securities analysts. and other agents for their own utility function maximization to the detriment of the interests of the principal. Small investors (minority shareholders) often become vulnerable groups: minority shareholders. they may face major shareholders and executives of listed companies within...
