Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A point by point consideration of Rev. Dr. Mel White s publication A Biblical Response to the Question People Often Ask. How can you consider yourself a Christian when you are also gay? What the Bible Says-and Doesn t Say-about Homosexuality. Some currently relevant issues to consider are why do some claim that the Bible does not condemn homosexuality? Because we now have a better understanding of original languages, the grammatical, historical and cultural context and finally realized that for millennia Jews and Christians have been wrong since they did not realize that the Bible approves of it? Because the politically correct cultural movement de jour demands that homosexuality not be condemned and that politics, laws, society, theology, etc. be changed in order to fit with the homosexual movement s worldview? Why are homosexuals so overrepresented, and positively so, in various forms of media? Because they are such a vast majority that it makes statistical sense? Because there is a concerted effort to deconstruct, redefine and re-educate society so as to have it abandon Judeo-Christian principles? I am gay, I am proud, and God loves me without reservation -Rev. Dr. Mel White.
