

## Shattered Diana: A Memoir Documenting How Trauma and Evangelical Fundamentalism Created PTSD, Bipolar, Dissociative Disorder (Multiple Personality Disorder) in Me (Volume 1)

By Diana L Lee Ma

Child Advocate Press. Paperback. Condition: New. 310 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Reviews Great and VERY unusual book. Helped me see myself more clearly. -- Frank Schaeffer, New York Times bestselling author of Crazy for God In Shattered Diana: Downloading Malware, Diana Lee gives a captivating narrative of her chaotic upbringing in an evangelical home in the 1950s. The book gives the reader an introspective look at how Diana-the-child felt and attempted to cope as she experienced the psychological and physical abuse of her home and the religious fear and shame indoctrination of growing up in evangelicalism. The book frequently interjects Diana's narrative--one that creatively blends prose with poetry--with the scoldings Diana so frequently experienced and the religious hymns, still widely sung today, that celebrate obedience and redemption through violent punishment. -- Eric Cernyar, JD Your book will help those who have been saying what's wrong with me change the question to what's wrong with them. It could help millions stop the self-blame they were taught and to put it back where it belongs, with the perpetrator! Thanks, Diana, for telling it like it is. -- Pam Lampe Evangelical Fundamentalism is like going through life looking in a mirror. Everything is backwards. --...
