

The Color of Magic

By Terry Pratchett

HarperTorch, United States, 2013. Paperback. Book Condition: New. Reissue. 185 x 104 mm. Language: English . Brand New Book. Imagine, if you will . . . a flat world sitting on the backs of four elephants who hurtle through space balanced on a giant turtle. In truth, the Discworld is not so different from our own. Yet, at the same time, very different . . . but not so much. In this, the maiden voyage through Terry Pratchett's divinely and recognizably twisted alternate dimension, the well-meaning but remarkably inept wizard Rincewind encounters something hitherto unknown in the Discworld: a tourist! Twoflower has arrived, Luggage by his side, to take in the sights and, unfortunately, has cast his lot with a most inappropriate tour guide a decision that could result in Twoflower's becoming not only Discworld's first visitor from elsewhere . . . but quite possibly, portentously, its very last. And, of course, he's brought Luggage along, which has a mind of its own. And teeth.

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- Felicia Nikolaus

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
