Scribe Publications, Australia, 2012. Paperback. Condition: New. Language: N/A. Brand New Book. Truly great businesspeople become leaders in their industry because of the quality of their ideas. In *The Power of Seven Frameworks*, bestselling business writer Kazuyo Katsuma synthesises the strategies of the world's top business thinkers and distils them into techniques to help you hone your problem-solving ability and consistently produce exceptional ideas. Learn to use the power of frameworks to release your creative potential and turn it into successful business practice. The seven frameworks will help you to: * interpret information quickly and make fast, effective decisions * make accurate forecasts about a new business or venture * communicate effectively with words, diagrams, and images * understand statistics and use them to your advantage * turn chance and coincidence into opportunities. As Katsuma demonstrates, the seven frameworks are the key to achieving success, acquiring inspiration, and finding a healthy balance between work and life.
