DYING TO BE HAPPY: DISCOVERING THE TRUTH ABOUT LIFE

Beacon Publishing. Hardcover. Condition: New. 117 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. A few days before Thanksgiving 2014, author Chris Stepien found himself in an oncologist's office. But he wasn't the patient. Stepien's wife, Ellen, was just beginning her battle with aggressive breast cancer. That day, while listening to the oncologist's treatment strategy, Stepien began writing *Dying to Be Happy: Discovering the Truth About Life*. In the pages of this book, a brush with a life-threatening disease sparks a...

Reviews

This book is really gripping and interesting. Better than never, though I am quite late in starting to read this one. It has been developed in an exceedingly easy way which is only right after I finished reading this ebook where it basically modified me, altered the way I really believe.

Very beneficial to all groups of people. I am quite late in starting to read this one, but better than never. You will not really feel monotony at any time of the time (that's what catalogs are for relating to in the event you request me).
