ELEMENTARY ECONOMIC EVALUATION IN HEALTH CARE

BMJ Books. Paperback. Condition: New. 132 pages. Dimensions: 8.3in. x 5.3in. x 0.4in. There is a growing reliance on all health care workers to understand and practice economic evaluation. This comprehensive book written in jargon-free language provides a basic introduction to the subject. It succeeds in explaining both the principles of economic evaluation and how to use them. The second edition has been revised throughout and now includes a chapter on decision making, which explains the tools of systematic reviewing so...

Reviews

It is in a single of the best publication. Sure, it is play, continue to an interesting and amazing literature. You will not really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you question me).

-- **Sonia Block I**

This is the greatest pdf i actually have go through right up until now. It is actually packed with knowledge and wisdom I found out this book from my dad and i advised this publication to find out.
