Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dear Dad, You know, even though I m not attending a religious school, I didn t realize the topic of religion would come up so frequently. In fact, I didn t realize I would be bombarded with a lot of criticism and questions about my religion. Even the professors are into it. The other day in class, one professor said, Religion . relies on the gullibility of its clients, who have been educated to believe without evidence and without explanation. I don t want to fall into that category. Research shows that the millennial generation is the most secular minded in the history of the United States. Consequently, this book is written for youth as well as adults who because of societal trends are curious about the data and evidence of the truths of spiritual records. In the form of emails from a father to his son, this book is clear and easy to digest. This son is away at school and is feeling bombarded by secular thought, thereby shaking his spirituality. He is exposed to many who maintain that religion has no credible evidence to support the stories and claims of the scriptures. These philosophies disturb him as he begins to question his own faith. Since this book is a reasoned and data driven approach minimizing stereotypical generalizations, it can be appreciated by individuals of good will who are not only faith-based but also of a skeptical nature, an opportunity for civil discourse on common ground. The author, reared as a Protestant spent his young adult years in religious rebellion and skepticism. Quite unexpectedly, having had a spiritual experience, he joined the Church of Jesus Christ of Latter-day Saints and...
