Anness Publishing. Paperback. Book Condition: new. BRAND NEW, Conifers: An Illustrated Guide to Varieties, Cultivation and Care, with Step-by-step Instructions and Over 160 Beautiful Photographs, Andrew Mikolajski, This title is an illustrated guide to varieties, cultivation and care, with step-by-step instructions and over 160 beautiful photographs. Everything you need to know at a glance in one handy and superbly illustrated practical guide. It offers full photographic directory of over 50 varieties, including large, medium, small and dwarf conifers. For each variety, full botanical information is provided on history, growth, hue, height, spread and suitability. It offers step-by-step guidance on planting, propagation and pruning, and how to deal with common pests and diseases. It includes instructions on buying conifers, growing them in containers, transplanting established shrubs and trees, and creating evergreen conifer hedges. It is a highly accessible guide to some of the most popular and versatile plants, celebrating their diversity and beauty. Mainly evergreen, tough and hardy, conifers give year-round pleasure and interest, providing superb backdrops to the transient flowers of summer, then coming into their own in autumn and winter as their firm outlines begin to dominate the scene. This book explains the place of conifers in the plant kingdom, suggests ways in which they can be used in the garden, and illustrates some of the most striking types now in cultivation. A fully illustrated directory of 50 recommended varieties, together with expert advice on how and where to plant them to their best advantage, will help you to create bold shapes, textures and contours in all types of garden.
