

Ghostlife of Third Cinema: Asian American Film and Video (Paperback)

By Glen M. Mimura

University of Minnesota Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Asian American filmmakers and video artists have created a substantial, diverse, and challenging body of work that reimagines the cultural and political representation of Asian Americans. Yet much of this work remains unknown. Ghostlife of Third Cinema examines such potent issues as diasporic identity, historical memory, and queer sexuality through sophisticated readings of a wide range of film and video projects, including Trinh T. Minh-ha's experimental documentary *Surname Viet Given Name Nam*; avant-garde works by Japanese American filmmakers Rea Tajiri, Lise Yasui, and Janice Tanaka; and queer videos exploring the intersection of race, nation, and sexuality by Pablo Bautista, Ming-Yuen Ma, and Nguyen Tan Hoang.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mom and dad suggested this ebook to discover.

-- Adela Schroeder II
