Reviews

Very helpful for all class of people. Sure, it is actually play, nonetheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Carole McClure)

DANCING WITH DEATH (HARDBACK)

Xulon Press, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In a small North Texas town a family is devastated when their son is diagnosed with a life-threatening heart disease. In the lowest time of their lives, God works through Michael Jordan, Derek Harper, Coach Grant Teaff, Dino, Joe Montana, J. D. Hill, a camel, and the local community to give strength and support to the Martin family. Dancing with Death illustrates the power of faith, hope, love, Christian friends, and family. The authors details are gripping. Readers will feel a bond with the authors through reading about their inner feelings. The Martin s bravely make themselves vulnerable to their audience, even including such questions as, God, don t you think we ve been through enough? It s a question we all ask in our minds but are usually too intimidated to say aloud. Things like this make the book unique, touching and very valuable reading for everyone. The authors give God credit, glory and praise throughout the book, terrifically conveying how God was with them every step of the way. Michael and Donna Martin have 3 children, 2 daughters-in-law and 6 grandchildren. Donna has a BS in Elementary Education and taught for 32 years. She is a freelance writer and has written pre-school curriculum for LifeWay. Michael has a BA in Psychology, M.Ed. in College Counseling, and M.Ed. in Secondary Counseling. He counseled high school and college students for 32 years. Michael is an ordained minister and has served in youth, music and education ministry. They traveled with their family group, The Joyful Sound presenting concerts. They are members of The Prestonwood Baptist Church in Plano, TX. The Martin s present Happy Together Seminars sharing information they have learned during 14610 days of...
