THE RELIGION OF ABRAHAM LINCOLN (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Religion of Abraham Lincoln I think the world has occasion to rejoice that a mind like Lincoln's, in those early years of eager grasping after every form of light upon the mystery of existence, chanced to find some of the books, branded in conventional, church communities with odium, which have been the great emancipators of intelligence and conscience - books written by the Frenchmen, Voltaire and Volney, and by the patriot of our American Revolution, Thomas Paine, books which contain much that is crude and useless or even offensive to reason today with our larger View of the universe, but which in their day and generation did an inestimable work in teaching men to think courageously, to speak honestly, and especially to be tolerant and sympathetic towards differences of judgment.
