Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There was a rough stone age and a smooth stone age and a bronze age, and many years afterward a cut-glass age. In the cut-glass age, when young ladies had persuaded young men with long, curly mustaches to marry them, they sat down several months afterward and wrote thank-you notes for all sorts of cut-glass presents-punch-bowls, finger-bowls, dinner-glasses, wine-glasses, ice-cream dishes, bonbon dishes, decanters, and vases-for, though cut glass was nothing new in the nineties, it was then especially busy reflecting the dazzling light of fashion from the Back Bay to the fastnesses of the Middle West. After the wedding the punch-bowls were arranged in the sideboard with the big bowl in the centre; the glasses were set up in the china-closet; the candlesticks were put at both ends of things-and then the struggle for existence began. The bonbon dish lost its little handle and became a pin-tray upstairs; a promenading cat knocked the little bowl off the sideboard, and the hired girl chipped the middle-sized one with the sugar-dish; then the wine-glasses succumbed to leg fractures, and even the dinner-glasses disappeared one by one like the ten little niggers, the last one ending up, scarred and maimed as a tooth-brush holder among other shabby genteels on the bathroom shelf. But by the time all this had happened the cut-glass age was over, anyway.
