THE HISTORICITY OF THE BOOK OF JONAH

Xulon Press, United States, 2012. Paperback. Book Condition: New. 259 x 183 mm. Language: English . Brand New Book ***** Print on Demand *****.WHAT IT IS ABOUT This is a timely work presented to the cause of Christ and dedicated to every true believer who serves that cause. It provides a solid foundation for those who must earnestly contend for the FAITH which was once delivered unto the saints. Its purpose is to EQUIP every believer to be perfect, thoroughly furnished unto all good works. This is resource material for reference and a textbook for every library. It is serious, yet interesting reading that would cause the reader to think. I recommend this book as compulsory reading for every Bible student, every Bible teacher and every Christian worker. Having pioneered and pastored several churches for a period of about twenty years, the author has dedicated the rest of his life as an itinerant teacher-trainer who collaborates with churches to augment growth and development, to establish Christian believers and to conserve the harvest of souls. It is my sincere prayer that the reading of this book would impart depth, strength and inspiration to your Christian life and ministry. Leslie Henry.
