ECW Press,Canada, Canada, 2013. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book. Sixteen-year-old Pippa Greene never goes anywhere without her camera. She and her best friend/supermodel-in-training Dace long ago mapped out their life plan: Pippa will be the noted fashion photographer, and Dace the cover girl. But ever since last spring, things have changed for Pippa -- and her junior year at Spalding High proves to have its own set of challenges. Not only is Vantage Point, the statewide photography competition, in three short weeks, but her mandatory volunteer placement lands her at St. Christopher s Hospital, a place Pippa never wanted to set foot in again. With humour and pluck, she navigates her new role as a candy striper (watch out for Code Yellows), her changing relationship with her best friend (goodbye Honesty Pact), and -- perhaps most stressful of all -- her new love interests (yes, love interests plural). Will Pippa make it to Vantage Point without having a panic attack? Will either one of the guys prove less sketchy than her last boyfriend? Can she and Dace figure out a way to dream big and be best friends? One thing is certain: real life is a lot more complicated than a photograph.
