Penguin Putnam Inc, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. This book isn t about catching men or reeling anybody in. Catching is for nine-year-olds playing freeze tag, and reeling is for trout. This is about you, considering the possibility that you re tripping over your own feet--no matter how much of an amazing, smart, hot, totally worthwhile ass-kicker you may be as a general rule. Some food for thought: Don t be the men are pigs woman. She s boring. She s unhappy. And the good men don t want her.Don t demand the right to set arbitrary rules, let alone change them every five minutes. Act like a crazy person and you ll be treated like one.Realize when he doesn t want to talk and give him that space. Men don t usually feel the need to share as much. Respect that or watch him shut down even more. .In other words: If you re looking for a different approach, this book has one.
