Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Icelandic Legends Those who are thoroughly acquainted with the literature of Iceland are agreed that, so far as the historical part of it is concerned, it holds a distinguished place among the literatures of the world, next indeed to the classics of ancient Greece and Rome. And though its historians, the authors of its noble sagas, have been men of high learning and cultivated minds, its peasants, uncultivated and unlearned, have been those who have handed down to us the traditional lore of the country, the poetical and imaginative tales of elves, trolls, ghosts, goblins, and monsters; some contenting themselves with telling them often by the Winter fire; others adding stories from their own mental testimonies. And thus, in the course of many years, the mass of such stories has accumulated, until at length, becoming perhaps too Unwieldy for oral tradition, it has been committed to paper by the peasants and others, who were its guardians and possessors, at the earnest and constant request of Mr. J on Arnason. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
