Before I Lose My Style is a playful but melancholy meditation on the various ways sex and love can be integrated into our lives. Damon, a scientist in his early thirties, finds himself unexpectedly single after his longtime boyfriend leaves him. He is content with transient hookups in the LA club scene to fill the void, until a charming musician from Budapest and a sexually ambiguous basic-cable celebrity complicate his frisky bachelorhood. From nude beaches in Santa Barbara to house parties in West Hollywood, to drag clubs in Silver Lake, Damon and his intimate group of friends endure petty blowups and disagreements. Damon is finally left to reconsider the importance of love.
