It was once a favorite amusement of journalistic humorists to provide moderate merriment for the masses by disporting with the names of places, but the time has almost gone by when the mention of Oshkosh, Kalamazoo, Ypsilanti, and Red Dog is regarded as passably funny. The Australian settlements, the English rural villages, and the lakes of Maine, about which Orpheus C. Kerr wrote a long and fairly tedious poem, are no longer provocative of even limited mirth. There still remains, however, a lingering element of the comic in Peapack, a name at once concise, alliterative and pastoral. Peapack is not and never can be Gladstone any more than Tarrytown can be Scarborough, or Whippany, Morristown. It preserves its individuality although it lies but a short railway journey from Hoboken; triumphantly American, notwithstanding that it is comprehended within the county of Somerset and that township of Bedminster which took its name from a hamlet in Somersetshire, and it is not at all envious of Pluckemin, Roxiticus, Piscataway, or Parsippany. There is no place within my knowledge more seductive to the weary struggler who comes upon it after a life of contention in that high-cliffed valley...
