Why are all these churches so different from each other? Why are there so many versions of Christianity? Which one is right? Between his Pentecostal upbringing, and his exposure to various other Christian denominations, the questions were piling up in his head. Slicing Through the Fog is the true story of one man s journey through the fog of religious and denominational confusion, and what he found once he finally sliced through it. Follow this lost, bewildered soul as he wanders in and out of belief, apathy, liberalism, and even atheism! Cheer him on as he finally wakes up, puts down his remote control, picks up his Bible, and begins to relentlessly pursue the truth. Then come along with him on a journey of discovery as decades of unanswered questions are finally answered, and decades of confusions are finally cleared up. From salvation to foot-washing, virtually every issue is addressed. No stone is left unturned.
