Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Additional Speeches, Vol. 1 of 2: Addresses, and Occasional Sermons Several years ago I began to write a large work on the Historical Development of Religion in the various Races of Mankind, hoping to publish the first volume long before this time. But during the last five years, my attention has been mainly directed to quite different pursuits, less genial to my nature and more foreign to my culture: events of the saddest character and most dangerous tendency have forced other and indispensable duties upon me. For the assaults on the natural Rights of man have been so continuous, made with such vigor, and so often successful, and the consequent demand of resistance thereto, on the part of all friends of Humanity so urgent, that I have been forced to defer the welcome toil of converting the Facts of past History into Ideas of present Consciousness, and therewith helping to build up nobler Institutions for the future.
