HarperCollins Publishers Inc, United States, 2005. Paperback. Condition: New. Perennial ed.. Language: English . Brand New Book. Beauty does not linger, it only visits. Yet beauty's visitation affects us and invites us into its rhythm, it calls us to feel, think, and act beautifully in the world: to create and live a life that awakens the Beautiful. Beauty is a gentle but urgent call to awaken. Bestselling author John O Donohue opens our eyes, hearts, and minds to the wonder of our own relationship with beauty by exposing the infinity and mystery of its breadth. His words return us to the dignity of silence, profundity of stillness, power of thought and perception, and the eternal grace and generosity of beauty's presence. In this masterful and revelatory work, O Donohue encourages our greater intimacy with beauty and celebrates it for what it really is: a homecoming of the human spirit. As he focuses on the classical, medieval, and Celtic traditions of art, music, literature, nature, and language, O Donohue reveals how beauty's invisible embrace invites us toward new heights of passion and creativity even in these uncertain times of global conflict and crisis.
