This is not your typical death and dying, search for the meaning of life, cancer story. More like a dance lesson. I m a family doc who flipped to Stage-4 cancer overnight. Making my way with this terrible problem, I ve managed to survive a year, learning a lot in the process. This is my journal, with commentary from friends, written as events unfolded. I offer it for others to find insights and make their dance a little easier. Subjects explored: CANCER: the emotional roller coaster, managing well-wishers, keeping everyone up to date, sorting treatment options and clinical trials. HEALTH CARE: find good doctors, manage your medical record, rebut insurance denials, and find an advocate to assist. DOCTORING: my rural practice stories explore what it takes to become a wise physician, by learning from patients. SURVIVING: Resilience, faith, personal choice, palliative care, and advanced directives. LIVING: Reconnecting and having some fun. Making the best of the time we have left.
