Createspace, United States, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A self-employed accountant describes how he has seen America s middle-class wealth being embezzled by those who take advantage of the government s waste and lack of accountability. Government contractors and bureaucrats benefit, while the productive private sector struggles to survive. Profits on lucrative government contracts are set aside for those firms with the right owners (based on gender, race, or physical attributes) and for those corporations that affiliate themselves with such firms. Life-long politicians stay in office by spending your hard-earned money on government programs, which line the pockets of those who fund their campaigns. They buy the votes of the 50 of taxpayers who pay only 3 of the income tax and have become dependent on such programs (and politicians). Should you take advantage of the current system, or effect change to restore economic justice and freedom in our country?.
