**VIRTUOUS POLICING: BRIDGING AMERICA S GULF BETWEEN POLICE AND POPULACE (PAPERBACK)**

Taylor Francis Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. The authors examine law enforcement policies, procedures, and leadership methods in relation to four cardinal virtues: self-control, justice, competency, and moral courage. Case studies illustrate ethical, legal, psychological, and tactical issues that law enforcement and the military have to address in establishing and maintaining good and peaceable governance. With an eye toward minimizing or avoiding future violent confrontations between citizens and those who...
