Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

THE CULT AT THE DOOR: THE WITNESS YOU WILL NEVER SEE (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Aaron Kane Hanak (illustrator). Language: English . Brand New Book ***** Print on Demand *****. An inside look at members responses of a corporation using bleeding death victims as magazine covers for their community to remain loyal. An archaic rule in child rapes, almost guaranteeing no religious grounds for victims of any recourse or help in this regard. Peek into what goes on when Jehovah s Witnesses are told the truth of their organization and inner workings. From men over seeing congregations, high school graduates, if that, and most likely in menial service jobs. Placed in untrained positions of traumatic life altering events without knowledge on handling and investigating such crimes viewed as sins. Sharing the often times disbelief in the child, these men, including the abusers question the victims. The watchtower society hides this and more from its own members; they in turn, hide their thoughts and words from YOU behind the door. The public generally views this group as sometimes strange but, on the whole, nice people. Little do they know, how the Jehovah s Witness really feels about those they smile at. But also how they are trained to feel about those who leave. The men who claim to speak for God as the Guardians Of Doctrines, have final say over pictures, verses, and sermons, keeping the entire group on the same page: The Governing Body; viewed almost as American popes by Jehovah s Witnesses, make rules and hide such things as the identities of child rapists from their own congregations which puts the children and public at risk. This is to keep REPROACH off the organization. On 11/05/17 in Warwick NY, protests against their 2 witness rule (2 people needing to be present at a child being violated),...
