Brand New Book ***** Print on Demand *****. One frog. Two frogs. Three frogs. Four. Tree frogs. Tree frogs. I want more. This delightfully illustrated tale tells the story of Sam, who counts down the days until the next grocery store trip. Sam can t wait to buy plastic tree frogs from the grocery store bubblegum machine and add them to his colorful collection. But after waiting all week, Sam sees something that makes him opt to give his quarters to charity instead. One frog. Two frogs. Three frogs. Four. I love tree frogs, but I ll wait to get more. This great read-aloud book is also perfect for the beginner reader, offering a subtle life lesson about kindness and thinking of others in a fun, unobtrusive manner. This perfect addition to home and classroom library also boosts color and counting confidence.
