## SLOW MEDICINE: THE WAY TO HEALING (HARDBACK)

DOWNLOAD

Penguin Putnam Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. A radical new understanding of how medicine is best practiced, from the award-winning author of God s Hotel Over the years that Victoria Sweet has been a physician, healthcare has replaced medicine, providers look at their laptops more than at their patients, and costs keep soaring, all in the ruthless pursuit of efficiency. Yet the remedy that economists and policy makers continue to miss is also miraculously simple. Good medicine takes more than amazing technology; it takes time--time to respond to bodies as well as data, time to arrive at the right diagnosis and the right treatment. Sweet knows this because she has learned and lived it over the course of her remarkable career. Here she relates unforgettable stories of the teachers, doctors, nurses, and patients through whom she discovered the practice of Slow Medicine, in which she has been both pioneer and inspiration. Medicine, she helps us to see, is a craft and an art as well as a science. It is relational, personal, even spiritual. To do it well requires a hard-won wisdom that no algorithm can replace--that brings together fast and slow in a truly effective, efficient, sustainable, and humane way of healing.
