### **Reviews**

*Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.*

*(Bernardo Feeney Jr.)*

## GODDESS: MYTHS OF THE FEMALE DIVINE

Oxford University Press, USA. Paperback. Book Condition: New. Paperback. 208 pages. Dimensions: 7.9in. x 5.3in. x 0.5in. An old woman lives still among the broken slopes of the mountains in the land of the Tarahumara Indians. No one knows exactly where. She is sometimes seen standing along the highway near El Paso, hauling wood near Oaxaca, or even hitching a ride on a semi rig. She is the bone woman, the gatherer, La Loba. She collects bones, especially those of wolves. When she has collected enough bones to make a whole wolf, she sings over the skeleton, and it begins to grow flesh and fur. She sings some more and the wolf becomes strong; then it breathes. La Loba keeps singing and soon the wolf leaps up and runs off while the desert world trembles. And when a ray of the sun, or the moon, strikes it at just the right time and place, it turns into a woman, a laughing woman, who you may see running toward the horizon. In La Lobas cycle of death and rebirth and her metamorphosis from crone to life-giving mother to laughing maiden, we catch just one glimpse of the timeless allure and mystery of the Goddess. From the fertile earth mothers of the ancient world to the modern revival of interest in Wicca, or witchcraft, images and tales of the Female Divine have flourished and waned, intimidated, comforted, and inspired women and men from time immemorial. In Goddess, authors David Leeming and Jake Page gather some 75 of the most potent and meaningful of these tales in an extraordinarily rich and readable introduction to this divine figure as she has emerged from prehistory to the present. Told as a biography, we follow Goddess from her first Ice Age appearances as the all-encompassing, all-giving, and...
