Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The process of finding and making the best possible match is not an easy one. On the contrary, from an emotional perspective finding, making, maintaining, and enriching an intimate partnership is one of the most challenging tasks an adult faces. There must be an attraction or a spark for a true match to be made. When a couple comes for counseling, they come with the hope that their relationship can be renewed-that they can capture the heat and the emotion that they once had together. The Couple s Match Book: Lighting, Rekindling, or Extinguishing the Flame explores relationship theory and research. Including self-assessment activities to help determine what actions to take to improve relationships, this guild offers information that focuses on understanding and respecting personality differences, role perceptions, communication, and problem-solving. The balance of the book shares personal stories written by couples detailing their own experiences in an effort to help others in improving their intimate relationships. The Couple s Match Book: Lighting, Rekindling, or Extinguishing the Flame can be used as a supplemental text in marriage and family courses, as well as a primary resource in couples counseling and marriage and family therapy.
