John Wiley and Sons Ltd, United Kingdom, 2009. Hardback. Book Condition: New. 180 x 132 mm. Language: English . Brand New Book. An up-close look at the people and philosophies behind one of the most important new companies of our time Google Speaks is an engaging and informative look at one of the most important companies of the twenty-first century. It reveals the amazing story behind Google, a company that in less than 15 years has become a global household name and, in the process, created a new model for corporate responsibility and employee relations. Lowe explores the values that drive Google s founders and discusses how they have created a culture that fosters creativity and fun, while at the same time, keeping Google at the forefront of technology through large, relentless RD investments and imaginative partnerships with organizations such as NASA. This book also addresses controversies surrounding Google, such as copyright infringement, antitrust concerns, and personal privacy. Janet Lowe (Santa Fe, NM) is the author of numerous books, including the second editions of Warren Buffett Speaks and Jack Welch Speaks. Her articles have appeared in more than 100 publications, including Newsweek, the Los Angeles Times, and the Dallas Morning News.
