Fairytales are meant to be fractured, or changed. Some fairytales are drastically different than they were over a thousand years ago. Following this unique storytelling tradition *Fabulously Fractured Fairytales* gives you seven new spins on old favorites. And if you ever wondered about the origins of the tales, you're in luck. Each story begins with an overview of the history and evolution of the tale. So get ready to learn, laugh and be totally taken by surprise! Cinderella has a secret, and it keeps her from living happily ever after. Snow White is Chinese and starts the trend of tiny feet. Rapunzel is a prisoner to a crazy woman that sells her hair for profit. Goldilocks ends up at the Bear's by being in the witness protection program. Hansel and Gretel are reborn as Mexican children trying to make a better life for themselves by taking on the dangerous journey to America, alone. Rumplestiltskin runs a sweatshop with the children he bargains for. And Red Riding Hood becomes mixed up with a wolf in sheep's clothing when she tries to grow up too fast. Once upon a time fairytales were for all ages to enjoy, and now they are again!
