TATE PUBLISHING, United Kingdom, 2014. Hardback. Book Condition: New. 210 x 150 mm. Language: English . Brand New Book. This delightful series of picture books expresses the humour, frustrations and profundities of the parent/child relationship through two endearing insects, Poka and Mia. Despite their multiple limbs and cellophane wings, children and adults alike will immediately identify with Poka and Mia and the situations they find themselves in, making these books ideal for children learning to read. Illustrated in the inimitable style of Kitty Crowther, which is at once both dark and sweet, these charming creatures will ingratiate themselves to even the most hardened cynic.
