### **Reviews**

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Set in the small fictional town of Maplewood, in southern Alberta, best friends Leigh and Ronnie find their friendship and faith challenged when Jake, a good looking Christian boy, moves into their neighborhood. Leigh is especially delighted that Jake is paying more attention to her than any other girl at school or church, but what she does not know is that despite his bold declaration of being a follower of Christ, he s carrying a dark secret from his past that has the potential to destroy his integrity and have his friends question the legitimacy of his faith.
