Look Look Look at Sculpture

By Nancy Elizabeth Wallace

Cavendish Square Publishing. Hardcover. Condition: New. 40 pages. Dimensions: 10.1in. x 10.1in. x 0.5in. After sneaking into a museum, three tiny mice discover that sculptures can be big or little, textured or smooth, and made with different materials. Some stand alone, others are in a group, and still others move. The mice look at the front, the back, and the sides of a slate sculpture by Barbara Hepworth. They see shapes, and shapes within shapes. They think, feel, and then create their own sculptures. Wallace has integrated photographs of real sculptures into her cut-paper artwork to point out the diverse forms that sculptures can take. She reinforces the value of creativity and art literacy in a child's life. A craft activity and short biography of Barbara Hepworth are included. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publishes this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50% in the pdf. I realized this pdf from my dad and I encouraged this publication to learn.
