Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

TO JEIH PUN: THE LAND OF 3850 ISLANDS, AND ELSEWHERE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from To Jeih Pun: The Land of 3850 Islands, and Elsewhere I have found pleasure in my short hours of relaxation in jotting down my recollections of a most delightful journey to and through a land which, while not exactly flowing with milk and honey, has much that is good and beautiful to be found in it. As more or less of a simple diary I offer it to my readers, not as a specimen of literary effort, but rather in the playful spirit of one who would be glad if he could direct the faint rays from his candle of fun to shine for even a few moments upon them, and if there be born between the covers of this book a single smile, or be created a slight interest in this wonderful country, the labourer will feel himself more than repaid.
