

**The Principles Which Govern the Value of Paper Currency: With Reference to Banking Establishments, as Stated In, the New Edinburgh Review for January, 1823; With Some Observations on Joint Stock Companies (Classic Reprint)**

Filesize: 4 MB

**Reviews**

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Juliet Mertz)*

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Principles Which Govern the Value of Paper Currency: With Reference to Banking Establishments, as Stated In, the New Edinburgh Review for January, 1823; With Some Observations on Joint Stock Companies The Bank of England has the vice common to all banking establishments in England. It does not follow the business of banking as a substantive trade. It is the money factor or agent of the state, and a very useful factor it is. But it derives a great part of its gains from the profits of this agency, to which, therefore, it applies a main part of its attention. Its Directors bring into the Board-room the habits of acting and modes of thinking incident to the particular line of business followed by them, in which they are well skilled, to the exclusion of general knowledge. With one or two exceptions, all of them who have been examined before the parliamentary committees that have sat from the year 17 97, down to that which preceded the introduction of Mr. Peel s bill, have evinced a most lamentable ignorance even of the principles which go vern exchanges and the value of money. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
