WE HELP OUR COMMUNITY: WHAT S THE PROBLEM? (PAPERBACK)

Rosen Classroom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Computer science is all around us, at school, at home, and in the community. This book gives readers the essential tools they need to understand the computer science skill of defining the problem. Brilliant color photographs and accessible text will engage readers and allow them to connect deeply with the concept. The computer science topic is paired with an age-appropriate curricular topic to deepen readers learning experience and show how people define problems in the real world. In this book, a class helps their community through a clothing drive. This nonfiction title is paired with the fiction title Dev Plans a Food Drive (ISBN: 9781538351321). The instructional guide on the inside front and back covers provides: Vocabulary, Background knowledge, Text-dependent questions, Whole class activities, and Independent activities.
