Authentic Media. Paperback. Book Condition: new. BRAND NEW, The Marriage Makeover: 10 Days to a Stronger More Intimate Relationship, Philip Wagner, A 10-Day Plan to Turn Around Your Marriage Does the idea that you could have a complete marriage makeover in ten days seem simplistic to you? Does it seem like an impossibility? Do you think I'm overpromising or trivializing what you are facing? You might be thinking, "Philip, do you really think people can solve any marriage problem in ten days? Give me a break!!" Here is what I know: in ten days, you can radically change the environment of your marriage from hostile to trusting, from cold to warm, or from distant to embracing. In ten days you can drastically change the tone of your relationship and you can create the environment in which any problem can be worked on in a safe and promising atmosphere. Whether you are here because you have run a few red lights in your relationship, or because it's a total wreck, I want to welcome you and offer you this simple encouragement: You can turn your marriage around! You don't have to do something terrible to mess up your marriage; you just have to do "nothing." Something as important as love, left to itself, can gravitate to the lowest level of passion. In The Marriage Makeover, I am going to give you ideas for refreshing ten different areas of your marriage relationship. I've structured the book with ten short chapters so that you can read one each day. This works. It is simple, the chapters are not long, and the advice is not complicated. But that does not mean it is easy. Growth demands vulnerability and trust. You will experience uncomfortable emotions. You will face resistance. You may even question if you...
