By Dittmar Warren Dittmar, Warren Dittmar

iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Although some people believe that creativity is an innate skill or quality that cannot be learned or expanded, author and speaker Warren Dittmar firmly disagrees. He believes that creativity can be learned, and it can be enhanced. In *Completing the Wheel: An Adventure in Creativity and Life*, Dittmar shows how the richness and growth that comes from creative expression cannot be denied and how imagination and creativity can be used to overcome your limitations. *Completing the Wheel* describes how you can awaken your creativity and enrich your life. Personal stories, real-life examples, and step-by-step activities provide a road map for becoming a more creative person. Creativity can be learned and expanded with exercise and with the conscious decision to engage in creative activities such as photography, journaling, and drawing. Throughout history, humans have expressed their creativeness through huge cave drawings, intriguing memoirs, abstract paintings, and digital images. In *Completing the Wheel*, Dittmar provides an opportunity to grow your creativity through your own medium and experience a whole new way of seeing life—an engaging adventure through life experiences and creative expressions.
