GOD S DESTINY FOR AMERICA (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. America in prophecy has been a controversial and fragmented subject at best. Theologians who claim that America is not in prophecy are critically in error. How could the greatest and most powerful nation in history be absent from God s end time prophetic plan? Simply stated, it is not. I believe you will find in this dissertation the biblical proof of America s role in end time prophecy. In this time of moral decline and uncertainty may it grant hope to all true believers everywhere.
