## COMMON CORE MATHEMATICS GRADE 6: SOLARO STUDY GUIDE

Castle Rock Research Corporation, United States, 2014. Paperback. Book Condition: New. Study Guide. 274 x 211 mm. Language: English . Brand New Book. A comprehensive study guide with age- and grade-appropriate content designed to familiarize students with new Common Core State Standards With content developed by a team of teachers and curriculum specialists and reviewed by assessment experts with a minimum of five years of classroom teaching experience, SOLARO mathematics study guides are wholly curriculum aligned and serve as an excellent source of material for review and practice. Each guide breaks down the Common Core State Standards into teachable units, making it simple for educators and students to identify key learning concepts and how they align with the accompanying exercises and assessments. The practice questions and sample tests have detailed solutions that show problem-solving methods, highlight concepts that are likely to be tested, and point out potential sources of errors. The multiplatform SOLARO study solution also features additional learning tools in the complementary online version, and is designed to be used by students throughout the school year for reviewing and understanding course content, preparing for assessments, and, ultimately, achieving success. Intended for sixth grade students who are learning the new Common Core State Standards in school, this study guide features curriculum-aligned lessons, activities, exercises, and quizzes.
