I did not suppose he would ever be sold. - P.T. Barnum Modern views of animals range from hunters who pay big money to go on safaris in Africa to vegans who refuse to use even the wool or milk from a fellow creature, and as is the case with most controversies, most people fall in the middle, not wanting to kick a dog but still enjoying a good steak. However, in the early 20th century, the standards were much different, with animals seen as strictly property to be gathered and used with little to no consideration about their health or...
