Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Often we become focused on just one area of philosophy or social topic, yet fail to see from broader perspectives so as to transcend polarizing issues. If we look at the commonalities and patterns shared by multiple cultures and social customs, we begin to see that what was perceived as different was often more similar than once thought. This book focuses on spiritual philosophy and how a holistic approach is required in order to see how all things are connected to another by the universal principles that dictate their existence (ex. cause and effect - karma). There are various writings on different topics, such as: animal farms and emotional cymatic principles, the idea of merging science and spirituality using the field of consciousness and Tesla type ideas, the pineal gland/third eye and its relevance to intuitive thought and insight, dietary tips to bring about vigor and balance, and addressing common themes which have been perpetuated throughout all cultures - such as the connection between elite world power players, central banking and secret societies who at...
