Icon Books Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. A glorious plum-pudding of a book, to be consulted, with pleasure and profit, over and over again Sir Jeremy Isaacs Michael Steen s Great Composers was originally published in 2003. A lifetime s work and almost 1000 pages long, it has since become the reference point and key read on the biographical backgrounds to classical music s biggest names. Authoritative and hugely detailed - but nonetheless a joy to read - this new edition will expand its readership further and capitalise on a newfound popular interest in classical music. Steen s book helps you explore the story of Bach, the respectable burgher much of whose vast output was composed amidst petty turf disputes in Lutheran Leipzig; or the ugly, argumentative Beethoven in French-occupied Vienna, obsessed by his laundry; or Mozart, the over-exploited infant prodigy whose untimely death was shrouded in rumour. Read about Verdi, who composed against the background of the Italian Risorgimento; or about the family life of the Wagners; and, Brahms, who rose from the slums of Hamburg to become a devotee of beer and coffee in fin-de-siecle Vienna, a cultural capital bent on destroying Mahler.and much, much more.
