Kingman Images of America Images of America Series

By Dan W. Messersmith

Arcadia Publishing (SC). Paperback. Condition: New. 128 pages. Dimensions: 9.2in. x 6.4in. x 0.4in. Kingman, county seat of Mohave County in northwestern Arizona, owes its beginning and subsequent prosperity to the building of the Atlantic and Pacific Railroad in 1882. The city was named for the project's chief engineer, Lewis Kingman. The initial railroad siding quickly became a supply center for mining and ranching operations that dotted the beautiful surrounding valleys and mountain ranges. Through the years, Kingman has been at the crossroads of rail, highway, and air transportation routes. A B-17 bomber gunnery training base brought changes by exposing the areas potential to thousands of soldiers during World War II, many of whom would later return. Actor Andy Devine grew up here, Clark Gable and Carole Lombard were married here, and Charles Lindbergh would establish a route for Transcontinental Air Transport through here. Today Kingman is the Heart of Historic U. S. Route 66 and is located in the middle of the longest remaining stretch of the Mother Road, making it a must-see destination for thousands of tourists each year. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and dad suggested this ebook to discover.
