

Kirstin Blaise Lobato Vs State of Nevada: Habeas Corpus Petition with Grounds and Exhibits (Paperback)

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

KIRSTIN BLAISE LOBATO VS STATE OF NEVADA: HABEAS CORPUS PETITION WITH GROUNDS AND EXHIBITS (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Kirstin Blaise Lobato was convicted in October 2006 of charges related to the murder of a homeless man in Las Vegas on July 8, 2001. It is physically impossible that Ms. Lobato committed those crimes. She was 18 in 2001, and on the entire day of July 8 she was 170 miles north of Las Vegas at her parents house in Panaca, Nevada where she was living. Ms. Lobato s 770-page state habeas corpus petition challenging her convictions was filed on May 5, 2010. The petition s 79 grounds include 24 grounds based on new evidence. Key new evidence are reports by three forensic entomologists and a forensic pathologist that the man died after 8 pm on the evening of July 8. The prosecution concedes Ms. Lobato could not have been in Las Vegas after 9:30 am that morning, and that she was in Panaca the entire evening of the 8th. There is also new evidence the murderer s shoeprints imprinted in blood at the crime scene were made by a person with a much larger shoeprint than Ms. Lobato. There is also new evidence the man was murdered by friends of a woman he viciously beat and raped a week before his death. Perhaps most disturbing is new evidence the prosecutors and police involved in Ms. Lobato s case know she is innocent yet still proceeded with her trial. Ms. Lobato s wrongful conviction is particularly outrageous because she did not know the murdered man, she had never been to the murder scene, and she was 170 miles away at the time the crime occurred. Ms. Lobato has no more connection to the crime than if she had been selected for prosecution...
