Palo Press. Paperback. Condition: New. 258 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Mending Butterfly Wings is the third installment in the Revealing series, which explores the premise that the human species has been developed by another race as mere toys for manipulation. Kenny Spears has spent his young life moving from trailer park to trailer park with his alcoholic mother. At the age of thirteen, Kenny has seen more than his fair share in life but has never seen a girl as beautiful as Samantha Roads. Although they come from different worlds, they know they're meant for each other when they are together in the forest. Kenny and Sam enjoy an enchanted summer of innocent bliss until a tragic incident brings everything to a halt. Moving on, Kenny will get together with another girl, develop into a local basketball star, and eventually, through the callous manipulations of the Supreme Beings carrying out a grand scheme for their own amusement, father a mixed-race child who becomes the greatest basketball player in That World. An emotional rollercoaster ride through light and dark, triumph and failure, Mending Butterfly Wings deals with important social issues such as classism, racism, and death with dignity with a unique satirical twist. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
