STATE SYSTEMS OF CORPORATE TAXATION By Herbert Knox Smith Commissioner of Corporations, Washington, D.C. I Do not appear as an expert in the theory of taxation. My object will be simply to state existing facts. So far as I am obliged, for the sake of clearness, to venture into the field of theory, I do so with apologies. The United States Bureau of Corporations, of which I am Commissioner, has for several years studied taxation of corporations by the...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
